

Prayer for Anglophone crisis (Cameroon)

Dear and Almighty God
We thank you for the gift of our lives
Thank you for blessing us in this life
Thank you for guiding us through life
When the world is shaking around us,
And when our peace is threatened
We can only turn to you in prayer for help.
O God, come to our aid
Let peace reign again in our community.
Listen now to our prayer.

Lord Jesus, our Crucified Saviour
With bended knees, we turn to you in prayer
For the ongoing Anglophone crisis in Cameroon.
Families have lost loved ones and torn apart
Families have been displaced
Homes and property burnt to ashes
Many have dissented homes
To unknown destinations and in bushes
We can only turn to you in prayer for help

Holy Spirit of Light and wisdom
Open and touch the hearts of our leaders
Give them a loving heart of peace
To realise the dignity of humanity.
May they come together to dialogue peace
Open the heart of the international community
To realise their role towards the weak and vulnerable
To protect the innocent Anglophone citizens
From the genocide currently in progress.

Holy Mary, Mother of God
Principal Patroness of Cameroon
Comfort of the afflicted and mirror of justice
Intercede for us now and the hour of our death. Amen
