

Parish Registration Form

Welcome!

We belong to a 'cluster' of Parishes here in Bordon, Liphook and Grayshott. Three former Parishes have now been joined into one and they share the one Parish Priest... and Fr John Chandler has been that Parish Priest here since September 2018.

We are the 'Holy Family Cluster' because the three Churches that have been 'clustered' are devoted to each of the three members of the Holy Family: The Sacred Heart of Jesus (Bordon), Mary the Immaculate Conception (Liphook) and St Joseph's (Grayshott).

In registering as a member of this Parish you are entitled to receive the sacraments in all three churches and to attend Mass at any time and in any of the three churches.

You are very welcome and please do get involved in as much (or as little!) as you wish.

The Holy Family Cluster: is made up of the Parishes of Sacred Heart, Bordon, Immaculate Conception, Liphook and St Joseph's, Grayshott.

The Sacraments

Celebrating the Sacraments is the life of the Parish, **it is why we are here!**

We must make sure that we are fully prepared before receiving any Sacrament, ensuring that we are aware of the serious obligations that come with receiving the Sacraments.

Baptism is the first Sacrament we receive.

It is important that we are already practicing our Catholic Faith before asking for baptism.

The Baptism Programme lasts for six sessions and is co-ordinated by Deacon Andrew Carter.

Our other Sacramental Programmes run throughout the year.

Children make their **First Holy Communion** on the Feast of Corpus Christi (in June) each year, which means that preparation begins in the preceding November.

Our **Confirmation Programme** lasts for two years. Anyone aged 12 years and older can enrol on the course.

Preparation for marriage last a year and all Catholic parities must have received the Sacrament of Confirmation before they can be married in the Diocese of Portsmouth.

We have a fantastic 'Sunday School' which runs from 10am until 10:40am every fortnight at Sacred Heart.

It's an opportunity for children to learn about the faith in a way that is designed especially for them.

Please speak to Father John to find out more!

Please complete this part of the form and return it to Father John.
